

pure ELEMENTS

de

Warum höre ich meine Schritte nicht? Bleiben meine Füße trocken? Was macht der gepflasterte Weg in diesem Gebäude? Wasser ohne Nässe, Wiesen ohne Nesseln, Holz ohne Klacken, Metall ohne Scheppern, Strand ohne Sand? Ja, aber alles funktionell, stimmungsvoll und komfortabel - auf strapazierfähigem Teppichboden von HTW Design Carpet.

Es ist das Spiel mit den Elementen, Design und Technik, mit dem individuell Themen- und Erlebniswelten auf dem Boden entwickelt werden können.

Der Designguide „Pure Elements“ gibt Inspirationen zur Gestaltung von Hotel-, Laden- und Büroräumen. Ob kraftvoller Blickfang, naturnahe Impressionen oder spannende Kombination unterschiedlicher Elemente - die Möglichkeiten eröffnen interessante Spielräume.

en

Why do I not hear my footsteps? Am I keeping my feet dry?
What is a plastered walkway doing in this building? Water
without moisture, lawns without nettles, wood without clicking,
metal without clanging, a beach without sand?
Yes, but everything is functional, atmospheric and comfortable
– on hard-wearing carpets from HTW Design Carpet.

It is the interplay of the elements, design and technology
with which the flooring can create unique themed
worlds of experience.

The „Pure Elements“ design guide offers inspiration for the
design of hotel, shop and office spaces. Whether it is an
eye-catching feature, a natural-looking impression or an
exciting combination of various elements – the possibilities
open up an interesting degree of scope.

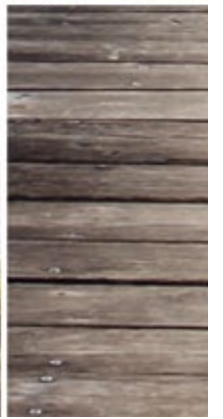

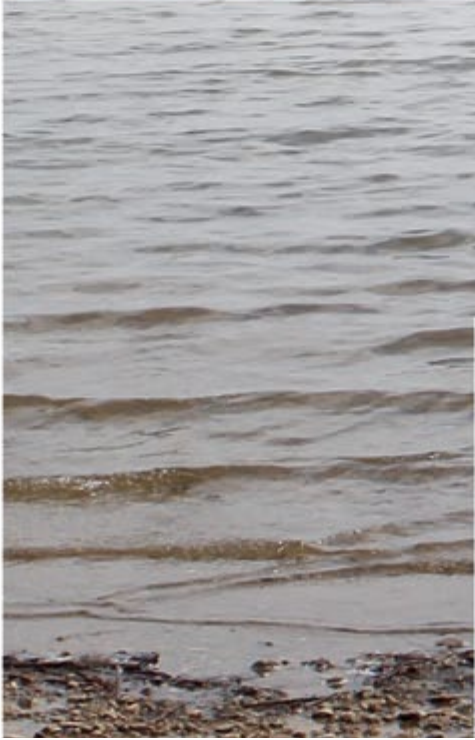

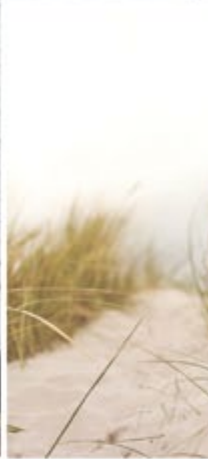

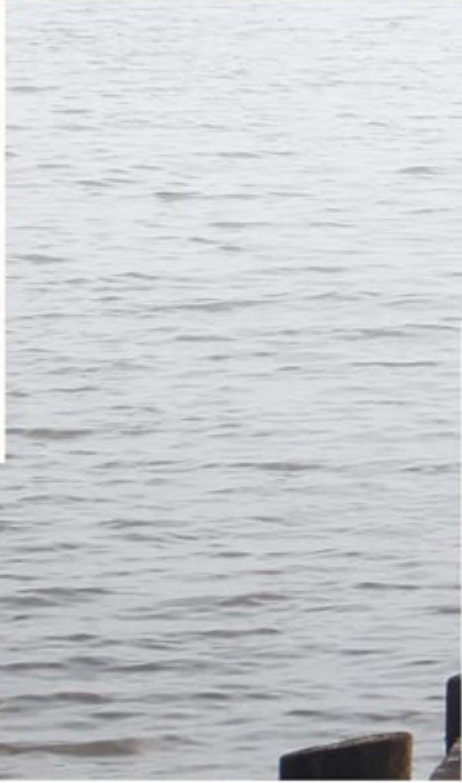

fr

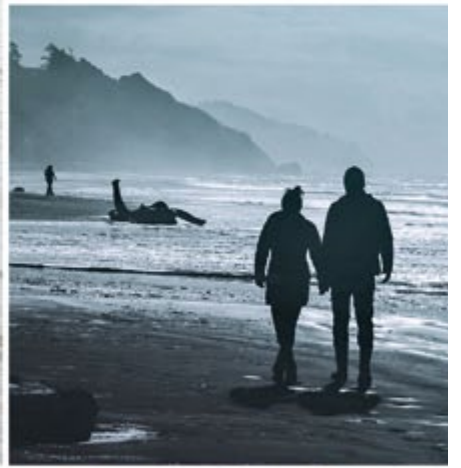

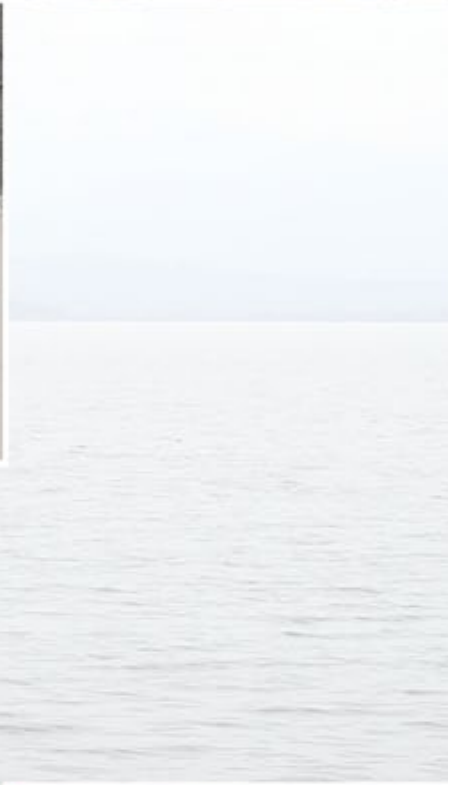

Pourquoi je n'entends pas mes pas? Mes pieds restent-ils au
sec? Que fait ce chemin pavé dans ce bâtiment?
L'eau sans humidité, des prés sans orties, du bois sans
craquements, du métal sans bruits, une plage sans sable?
Oui, mais tout fonctionnel, convivial et confortable – sur des
moquettes résistantes de HTW Design Carpet.

C'est un jeu avec les éléments, le design et la technique avec
lesquelles des univers de thèmes et d'expériences peuvent
être mis au point pour le sol.

Le guide de design «Pure Eléments» est une source
d'inspiration pour la décoration de chambres d'hôtel, de
magasins et de bureaux. Qu'il s'agisse d'attirer tous les
regards, de donner l'impression proche de la nature ou de
fournir une association passionnante de différents éléments –
les possibilités offrent une marge de manœuvre sensationnel.
